

## Train at VCC for a skilled high-wage job

**Vancouver Community College is everywhere.** In the repair shop and the paint booth, on the job site and in the works yard. We're B.C.'s No. 1 college, with more than 25,000 students and graduates working everywhere.

**Get moving to a great career at VCC.** Our Automotive Collision Repair and Refinishing programs give you the skills and knowledge to work in these exciting industries where highly skilled technicians are in demand and earn great wages.

Attend one of our Free weekly Information Sessions. You will meet our instructors and tour our state of the art facility. We will answer all of your questions, address any concerns you may have, and if needed, personally guide you through the registration process.

**When:** Every Tuesday morning at 11:00am

**How Long:** Information Sessions last 15 - 20 minutes

**Where:** Automotive Customer Service counter at the Vancouver Community College Broadway Campus  
Basement level, 1155 East Broadway, Vancouver, BC.

The Information Sessions are every Tuesday so there is no need make an appointment, just "drop in".

For more about the information sessions please call **604-871-7415** or E-mail [dsalviejo@vcc.ca](mailto:dsalviejo@vcc.ca)
